Industrial Chemicals, Inc. was founded in 1970 in Birmingham, Alabama. The company’s objective was to become a full-line, full-service, industrial chemical distributor. This objective has been achieved and the company has expanded from its home base in Alabama to other locations in the Southeast. In addition to basic chemical distribution, Industrial Chemicals provides wet and dry packaging, transloading, custom formulations and will consider any project needed by our customers or suppliers.

The company employs twenty-five (25) sales representatives with over 250 years experience in the chemical industry. In the last three (3) years, Industrial Chemicals, Inc. has increased the scope of its sales and marketing with additional focus on water treatment, polymers, compounding, food grade products, pharmaceutical products, lubricants, metalworking fluids, oils, and the personal care industry.

Industrial Chemicals, Inc. operates a fleet of thirty (30) trucks, twenty-five (25) van trailers, three (3) tankers, and two (2) hopper trailers. The company employs more than 126 people to support this business. Industrial Chemicals, Inc. is an active member of the National Association of Chemical Distributors (NACD), and is committed to the Responsible Distribution Process. Our customers’ success and satisfaction is our top priority. We believe in long-term partnerships with both customers and suppliers.
PRODUCT CATEGORY

Coagulants
Defoamers
Flocculants
Odor Control
Phosphates
Polyaluminum Chloride
Polymers

EQUIPMENT

LMI Pumps
Polymer Make-down System
Tote Bin mixers/drum mixers

WATER AND WASTEWASTER

For the water and wastewater industries, we offer full service technical support by providing jar testing and overall evaluation of applications.
# Commercial Engine Oils
- Diesel Lube Oil
- HD Fleet Engine Oil
- HD Fleet Supreme Oil
- Power-D Engine Oil
- Hydraulic Transmission Fluid
- Synthetic Gear Oil
- Synthetic Transmission Oil
- Universal Gear Lubricant

# Automotive Products
- Hydroclear ATF
- Dexron III & Mercon ATF
- High Performance Motor Oil

# Industrial Products
- Food Grade Oils
- Bearing Lubricants
- Gear Lubricants
- Fire Resistant Hydraulic Fluid
- AW Hydraulic Fluid
- Turbine Oil
- EP Gear Oil
- Heat Transfer Oil
- Refrigerant Oil
- Rock Drill Oil
- Rolling Oil
- Slideway Lubricant
- Spindle Oil
- Multipurpose R&O Oil
- Wet Gas Compressor Fluid
- Open Gear Lube
- Soluble Oil
- Synthetic AW Hydraulic Fluid
- Synthetic EP Gear Oil
- Synthetic R&O Oil
- Wire Rope Lubricant
- Transformer Oil

# Industrial Greases
- Food Machinery Grease
- Premium Greases
- Coupling Greases
- Steel Mill Greases

# Synthetics
- Compressor Lubricants
- Synthetic Compressor Lubricants
- Hydraulic Fluids
- Gear Lubricants
- Bearing Lubricants
- Oven Conveyor Chain Lubricants
- Heat Transfer Fluids
- Turbine Oils
- Lubricant Additives
- Descalers
- Degreasers

# Metalworking Fluids
- Synthetic Machine & Grinding Fluid
- Chlorine Free Machining & Grinding Fluid
- Drawing & Stamping Oil
- Straight Cutting Oil
- Broaching Oil
- Cleaners
- Corrosion Preventives

# Industrial Chemicals
- Mineral Spirits/VMP
- Antifreeze
- Kerosene
- Windshield Washer Solvent
- Truck Soaps/Aluminum Cleaners
- Degreasers
- Asphalt & Concrete Release
- Cleaning Agents/Compounds
- Alcohols
- Toluene, Xylene
- Ketones, Acetones, MEK, MIBK,
  Diacetone Alcohol
- Glycol Ethers: EB, DB,PM,DPM,EP
- Heat Transfer Fluids — EG, PG
- Anti Spatter
- Washer Chemicals/Parts Washer Cleaners
- Floor Soaps
- Thinners
- Surfactants
- Solvent Recycling

Industrial Chemicals also has other chemicals available.
Please check with your sales representative if you do not find what you need in this list.

(205) 823-7330 www.industrialchem.com

The Chemicals listed in this brochure are known to be useful in various ways. However, the fact that they are listed
does not imply our recommendation for their incorporation intentionally or incidentally in any products.
Industrial Chemicals’ extensive chemical product line is supported by a team of water treatment consultants. Our water specialists perform bench-scale laboratory tests and pilot-plant studies to create chemical and mechanical solutions to optimize plant performance, to enhance TOC removal, and to improve water quality. We develop, implement, and monitor distribution-system corrosion control programs to reduce TTHM and HAA5 levels, to protect against lead and copper leaching, to sequester soluble metals, and to eliminate discolored water complaints.

PRODUCT LINE

**COAGULATION AND FLOCCULATION**
- Aluminum Chlorohydrate
- Aluminum Sulfate
- Bentonite Clay
- Ferric Chloride
- Ferric Sulfate
- Inorganic Polymers
- Organic Polymers
- Polyaluminum Chloride

**FLUORIDATION**
- Hydrofluorosilicic Acid
- Sodium Fluoride
- Sodium Fluorosilicate

**TASTE, ODOR, AND ALGAE CONTROL**
- Carbon
- Copper Sulfate
- SCI-62

**DISINFECTION AND OXIDATION**
- Anhydrous Ammonia
- Calcium Hypochlorite
- Chlorine
- Hydrogen Peroxide 35%
- Hydrogen Peroxide 50%
- Potassium Permanganate
- Sodium Chlorite
- Sodium Hypochlorite 12.5%
- Sodium Permanganate

**CORROSION AND SCALE CONTROL**
- I-Phos 39
- Quantichem 2
- Quantichem 5
- Quantichem 7
- Quantichem 9
- Quantichem 9L
- Quantichem 9S
- Quantichem 40
- Quantichem 336
- Quantichem 436
- Quantichem 536
- Quantichem Ortho
- Quantichem SE100
- Quantichem ZM

**ALKALINITY AND PH ADJUSTMENT**
- Caustic Soda 25%
- Caustic Soda 50%
- Hydrochloric Acid
- Lime
- Soda Ash Dense
- Sodium Bicarbonate
- Sulfuric Acid 93%

"Industrial Chemicals' Water Treatment Chemicals are certified to NSF/ANSI Standard 60. All repackaged potable products are certified by WQA to NSF/ANSI Standard 60."

Our Commitment

Our Customers’ Success and Satisfaction.
NACD’s Responsible Distribution Process.
Service and Quality Every Time.
Linkage to Most Major Chemical Manufacturers.
Knowledgeable Sales Force.
Safety Health and Environmental Integrity.
Extensive Technical Support Capabilities.
Partnership with Customers for the Long Term.
Our Employees, Community and Environment.
Responsible Business Conduct.
Prompt Deliveries in Full and Small Bulk Loads.
Tote Tanks, Carboys, Drums and Bags.
Superior Range of Products.
Local Sensitivity with a Global Perspective.

Our Quality Mission

It is management’s commitment that every employee shall be dedicated to the fulfillment of our corporate QUALITY policy.

We subscribe to QUALITY at the source, building in QUALITY and “Doing It Right the First Time.”

We provide unequaled service and offer creative solutions in partnership with our customers.

Our goal is to know and understand our customers’ expectations.

We subscribe to the philosophy of consistent improvement. We are dedicated to being better today than we were yesterday, while always better than the competition.
